2010 Edmonton Log and Cottage Show
Exhibition Floor Plan,
NORTHLANDS AGRICOM HALL C ,
Northlands Park, Edmonton, AB
April 16-18, 2010

Edmonton's last Annual Log & Cottage Show grew in size, in stature, and most importantly, in the number of enthusiastic buyers who attended the event. With 5 major log 'builds' on the show floor towering over the 120 exhibitors who surrounded them, more than 7000 visitors were treated to an incredible showcase of craftsmanship and log culture. On April 16-18, 2010, the opportunity presents itself once more with the promise of seeing and talking to more qualified buyers in 3 days than companies would normally see or talk to in 6 months or more. Contact us now. 1.**780.424.0515** or 1.800.316.7366.
